CHAPTER FOUR:

ACRO, HE GETS UPSET.

SKILL SPECIFICS

- ANYTHING HE TOUCHES BECOMES CLAY
- ONCE AN OBJECT TAKES CLAY FORM, HE CAN MANIPULATE IT AS HE WISHES
- OBJECTS THAT BECOME CLAY, STAY THAT WAY UNLESS HE SAYS OTHERWISE.

I CAN MAKE IT CLAY!
NO MATTER THE MATERIAL.
AND ONCE I'VE MADE IT CLAY I CAN CHANGE IT'S SHAPE!
I can change it back.
Clank
Of course when I have changed the shape of an object.
